April 10, 2008

Dear Sir:

On January 4, 2008 an interview was conducted by Lisa K. Norton and Examiner Tam Nguyen.

During the interview, the Examiner requested that Figure 8 be added to demonstrate an embodiment of the bed-bike having two pedal units that may be used simultaneously. The specification was amended by Examiner's Amendment to incorporate the description of Figure 8. New claims 19-28 were also added to further clarify the subject matter.

Respectfully submitted,

DLA PIPER US LLP
